**FLAUNTING** Parisian panache, radiating glamour and proving that romance is alive and well, this stunning Claremont residence captures the joie de vivre.

Set on an 873sq m block, it is the stylish pad of home makeover queen Sasha deBretton, who has been transforming the drab into the fab for 18 years.

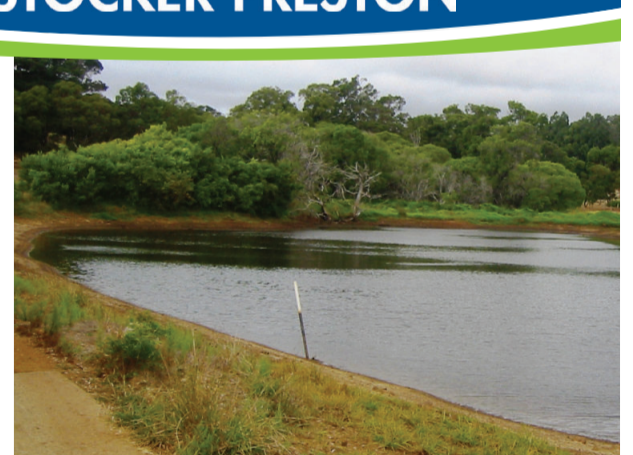

As CEO and head designer of Claremont business Million Dollar Makeovers, she oversees the renovation and interior design of 35 WA homes every year, with 500 tradies to call on to undertake work that ranges from \$100,000 to more than \$1 million.
